

Industrial Sensor Family SI-xx-02

- ✓ Ready to use wireless industrial sensors
- ✓ Various configurations:
 - ✓ Temperature
 - ✓ Relative Humidity
- ✓ Industrial and outdoor usage
- ✓ Li-ion battery powered wireless solution
- ✓ Long battery life
- ✓ No external power needed
- ✓ Wall mountable compact design
- ✓ IP65 case for industrial usage
- ✓ IQRF DPA compatible command set
- ✓ -40°C to +125°C sensing temperature range
- ✓ Usage examples:
 - ✓ HACCP temperature monitoring
 - ✓ Building temperature monitoring
 - ✓ Infrared production hall heating control
